

European Fisheries Technology Platform

EFTP

General Assembly Meeting

Fundación Galicia Europa, Brussels, 24th
Nov. 2010

The mission of the Board of Directors (BoD) consists of taking forward and consolidating the “Vision” of the Platform, integrating the fisheries value-chain and ensuring the Platform’s strategic relevance within the European Union and in a global context.

It is composed of a **maximum of fifteen members and a maximum of one third of them should come from academia**. The Board should be balanced representing European fishing regions, the fishing sector value chain and markets.

The Board must be elected by the Assembly.

THE FOLLOWING CANDIDACY MEETS THE REQUIREMENTS AND IS PROPOSED FOR ELECTION.
